

2016 Lunenburg Conservation Commission presents

"Walks in the Woods"

The Conservation Commission will be continuing the site walks on town and conservation lands.

The walks will be held Sunday mornings, meeting behind the Ritter Memorial Building 9:30 AM, and should be about two hours in duration. We hope that this will enable people to learn about where the public land is located, trails that are accessible for hiking and areas where parking is available.

Please wear suitable clothing and walking shoes, bring water and insect repellent. A hat is always a good thing to wear. All ages are welcome and well behaved dogs with leashes are also welcome to accompany the group.

April 24 ~ Cowdrey Nature Center, 3 miles
